Internal Audit Report

I have now completed the internal audit for Abberley Parish Council and would be grateful if this report can be presented to the council.

I have carried out tests on the systems in place and have reviewed the internal controls. I confirm I have acted independently; the basis of the internal audit is by selective assessment of compliance with relevant procedures and controls.

A. Appropriate books of account

Appropriate books of account have been kept during the year. The council has used a spreadsheet to record the accounts which is adequate for the number of transactions. The accounts are kept up to date and there is evidence in the minutes they are balanced regularly.

B. Financial Regulations

There is an audit trail of all samples of expenditure picked, payments were supported by receipts or invoices and payment schedules were reported to meetings.

VAT was appropriately accounted and a reclaim was made during the year.

C. Risk Assessments

The council has carried out a risk assessment during the which was reviewed by council and minuted.

The council's insurance cover includes public liability, employer's liability and fidelity guarantee. The insurance schedule needs to be updated to include the additional assets purchased or adopted during the year.

D. Precept

The precept was set after the council considered its budget requirements for the year.

Registered company number 10880898

There is evidence of the council actively monitoring expenditure against budget during the year. To make the monitoring reports more meaningful, an additional budget column could be inserted to enable the council to compare receipts and payments against the budget.

E. Income

There were no unusual receipts during the year. Receipts are made by internet transfer.

F. Petty Cash

Petty cash is not used.

G. PAYE

The PAYE is administered using HMRC's basic tools. The pay increase was minuted and the clerk has been paid in accordance with the approved pay rates. Please regularly view the p11 report available on the basic tools software, especially when back pay is applied. There was a period where the employer NI was payable and this had been initially missed as it not listed on the basic tools report used in support of the payments to the clerk. The p11 report will include employer NI. Please note that even when the employee reaches state retirement age, the employer still has to pay employer NI if the threshold is reached in any particular pay period.

H. Asset Register

The parish council maintains an updated asset register.

I. Bank reconciliations

The bank accounts are reconciled to the cash book regularly and this is evidenced in the minutes. I have recalculated the year end bank reconciliation and agree the figures to the cashbook accounts and the bank statement printout balance.

J. Accounting Statements

The parish council prepares the accounting statements on a receipts and payment basis and agree to the cashbook.

K. Exemption

The council met the exemption criteria for the 2020/21 review and correctly declared itself exempt from a limited assurance review.

L. Transparency Code

The council has published information on the website in accordance with the Transparency code for smaller authorities.

M. Public Rights

The notice for the exercise of public rights was correctly displayed.

N. Publication Requirements

The council has complied with the publication requirements for the 2020/21 AGAR, these documents can be found on the council website.

General

In general, the accounting records are well kept, and I would like to thank your clerk, Carole Hirst, for her assistance in the internal audit review and enclose my invoice for your attention.
