

Procedure to assist the Footpaths Officer when reporting issues associated with the footpaths in Abberley.

Issues can be damaged stiles, blocked footpaths, broken bridges or just unsafe paths.

1. Pictures – please take pictures of the problem
2. Provide a detailed description of the issue
3. Location – please identify the footpath you are on and make a note of the problem
 - a. Worcester Interactive map -
<https://gis.worcestershire.gov.uk/website/Countryside/>
 - b. This map allows you to zoom in on all the footpaths in the Worcestershire region and Abberley.
 - c. Anybody can access this map and should be able to identify the footpath they were on and where the issue is.
 - d. Using the map
 - i. On the left hand side select Menu and a drop down will appear
 - ii. Be sure to check the box next to Public Rights of Way as this will show all footpaths and their numbers
 - iii. Make a note of the footpath number
4. Please provide all the details from steps 1 – 3 and email jim.gibson@abberleyparish.org.uk so that he can investigate or report to the County Council.

Many Thanks

Jim Gibson.
