

Abberley WI

Abberley WI continues to meet on the second Wednesday every month and enjoy to a wide membership from the village and beyond.

Interesting speakers have entertained the group ranging from a talk from a local First Attender, a foster carer, the tale of a suffragette princess, ukele and jive lessons, a fully costumed speech from Henry the Eighth to Limerick composers and many more.

The WI has a book group, a walking group and a Bridge group.

The group enjoys visits out to local museums and places such as to Waddesden Manor, Spetchley Gardens and The Red House Cone.

Meetings are relaxed convivial and enjoyable. No obligation to sing, bake or make jam!
